FLINT WATER

10 14,400

Since January 2016 we have supported the delivery of 10 semi trucks of water. That equals out to 200 pallets of water or 14,400 cases of water distributed.

We have provided water directly to residents in the Civic Park community through our partnership with Pastor Robert McCathern at Joy Tabernacle Church, families at Dillon Elementary School through our partnership with Principal Mrs. Gina Ryan, and Flint resident parishioners at Flint Central Church of the Nazarene.

We are so thankful for the support of the Central Church family in helping to move our clinic to a newly renovated, formerly blighted house across the street. Healing is an important part of God's work and the growing number of visitors to the clinic each week demonstrates that, with your help, we are meeting needs!

PANAMA

We are in the midst of a five year partnership with the Panama Central District. Our teams have shown the Jesus Film, hosted VBS, and built Child Development Centers in Espave, Playa Chiquita, and Samaria. We also sent our first Medical Team.

4 TEAMS 75 TEAM MEMBERS 588 PATIENTS TREATED BY MEDICAL TEAM

The first year in partnership with the Central District in Panama has brought exciting progress in relationship, CDC development, and church growth. The enthusiasm our Panamanian brothers and sisters have for spreading the gospel and serving in their communities will have a lasting impact on all who have participated in a GO Team.
