Mrs. Pesses asked Mr. Frank to review the Financial Report for the month of March 2018 and the nine-month period ending March 31, 2018. Mr. Frank informed the Trustees that our income for the eight-month period is up approximately $200 from the same period of last year due primarily to the increase in Donations received through the Foundation of approximately $5,200, being partially offset by lower Fines and Miscellaneous Income. Fine Income is down approximately $1,600 and Miscellaneous Income is down approximately $3,500 due to the extra income from the garage sale last year. Expenses for this year-to-date are up approximately $15,200 from the same period of last year primarily due to the higher salary expense and related payroll taxes related to raises given to the employees effective July 1, 2017 and the rent expense for the temporary location being offset by lower Library Supplies, lower Utilities Expense, lower Maintenance and Repairs and lower Computer and Automation Expense. The lower Computer and Automation Expense is due to the new Children’s Room computers that were purchased in the fiscal year ending June 30, 2017. Mr. Frank asked the Board for any questions or comments on the Financial Report. Hearing none, Mr. Carangelo made a motion, seconded by Ms. Batchelor, to accept the Financial Report as presented. This was approved all voting aye.

Mr. Frank distributed the Warrants list for April 2018 numbered 1276 through 1310 which was audited by John Blackmon our Claims Auditor. Ms. Batchelor made a motion, seconded by Mr. Mazza, to approve the Warrants and to have Mr. Frank, our Treasurer, prepare checks for payment of these claims. This was approved all voting aye.

At this point in the meeting, Mrs. Pesses asked Mr. Clark to review his presentation on the 2018-2019 budget with the Trustees and the members of the Public that were attending. Mr. Clark reviewed the various income and expense items in the budget and informed the public that the budget contained a proposed increase of $30,000 in the Tax Levy which is primarily a result of the increase in the minimum wage since the increases began in January of 2014. Ms. Batchelor made a motion, seconded by Ms. Dunn Brown to adjourn the Public Hearing meeting. This was approved all voting aye.
