

TOM DIXON'S CFL BULB CHANDELIER

"Dixon's version of the much-maligned CFL should get a few more people to make the switch."

CH110 DESK

"Hans J. Wegner designed this desk in 1970. Carl Hansen & Søn is now reproducing it according to Wegner's original drawings."

THE NEGRONI SBAGLIATO

"It was invented in the 1970s at Bar Basso. Today the owner still mixes up the cocktail using spumante, sweet vermouth and Campari."

10 CORSO COMO

"This hotel, cafe and boutique is a stylish oasis, filled with the very best in the latest books, design and fashion—last season's Prada means nothing to them!"

HUSK BY PATRICIA URQUIOLA FOR B&B ITALIA

"When you sit down, the chair seems to disappear and you are wrapped in a down comforter."

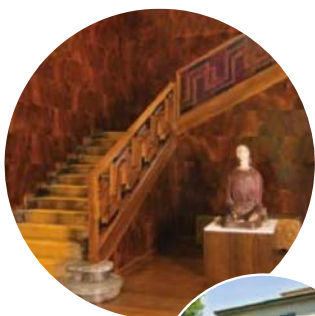

STUDIO CASTIGLIONI

"The intimate studio tour was led by designer and architect Achille Castiglioni's daughter. His blueprint stamps still hang on the wall."

**ITALIAN
JOB**

For a California girl, a trip to Milan during Salone Internazionale del Mobile was pure inspiration. San Francisco architect Jennifer Weiss shares her favorite finds from the furniture fair and beyond.

**VILLA NECCHI
CAMPILGIO**

"The exquisite villa built by Piero Portaluppi in 1932 is a must-see museum and the star of the film *I Am Love*. Rent the movie before you go."

PUBLIC ART

"The city was teeming with it, but one of my favorite works was this light installation by French designer Ora-ïto along Via Montenapoleone."
