Silent Auction How-To & FAQ:

When do I bid?

Online bidding opens Friday, September 22nd at 8:00 am. Bidding closes during the Benefit event on Friday, September 29th at 7:30 pm.

How do I bid?

Bidding takes place online! You may use a smart device to access the online auction. Register for free and start bidding! Don't have a smartphone? No worries! Volunteers with iPads are on hand to place bids on your behalf during the event. [Click here to register/login to the auction!](#)

Is there a fee to register for the auction?

No! Silent Auction registration is free. You will only be charged for items you win.

How do I check out after the auction closes?

You will automatically be checked out and charged for any items you won when the auction closes on September 29th at 7:30 pm. Won items will be listed under "My Items" tab on the auction website.

How do I pick up auction items I won?

After the auction closes, winners may take home their items the night of, or arrange a pick-up for the following week. Please coordinate with our staff to pick up items!

Email silent.auction@perkiomenwatershed.org to arrange post event item pick-up.

Since 2007, Oehlert Bros. has reduced carbon dioxide emissions by over 59,000 metric tons by delivering BioHeat Fuel to all of our customers!

Oehlert Bros. exclusively delivers B20, a 20% blend of refined soybean oil that burns cleaner than natural gas and propane.

Keeping the Greenhouse Green.

Oehlert Bros. is proud to work with the Watershed to provide renewable heat to the greenhouses at Dragonfly Farm. Both greenhouses will be heated with B100 BioHeat Fuel (100% refined soybean oil).
