

HOME SECURITY PROGRAM

Goal: Improve neighborhood safety and prevent crimes by projecting an image of a safe and proactive community in East Calhoun.

Program Guidelines

1. Eligible Applicants: All residential properties in the East Calhoun neighborhood.
2. Subsidy Amount: East Calhoun funds will subsidize (with rebates) amounts up to a maximum of \$100.00 per household (one time subsidy). Applicant must pay any project cost in excess of that amount. Subsidy cannot exceed the total cost of the project.
3. Eligible Home Security Projects: Outdoor security lighting (flood lights, motion detectors), security camera, dead bolt locks, window pinning, light timers, purchase and installation of home security systems (does not include monthly monitoring service), and/or electrical work related to home security.

How Does the Program Work?

1. Home security work can be completed by a licensed contractor (to ensure that your contractor is licensed, please contact the Minneapolis City License Department at 612-673-2080) and/or on a do-it-yourself basis. You may have to meet city permit requirements for your project. Call 311 and they will direct you to the correct source to determine whether your project requires a permit.
2. Subsidies will be awarded on a first-come, first-served basis as funds are available.
3. Complete the East Calhoun Home Security Program application, attach all invoices and receipts and send it to nrp@eastcalhoun.org or East Calhoun Home Security Program, 2751 Hennepin Ave S, #13, Minneapolis, MN 55408.
4. The subsidy check will be mailed to you within 4 weeks.

Questions? Contact Monica Smith at 612-821-0131 or nrp@eastcalhoun.org
