Offstreet Parking Space Calculation:
The number of spaces is based on Religious Institutions, Place of Assembly and Assembly's Code 541-7 of the Minneapolis Zoning.

The main assembly separate or adjacent space occupant is 150 unit or 150 occupants.
15% of 130 occupants = 13 spaces
A one space reduction is permitted for bicycle parking.
A total of 12 offstreet parking spaces are divided into 9 standard and 3 compact spaces.
