Sharing our Life Stories – An Adult Education Opportunity

Beginning on **Sunday, May 7th**, following worship, our Adult Education hour will focus on the life stories of several of our members and friends. Each Sunday, a different person will share his or her story, not only the high points but also the low points in their life experiences. Everyone will then have an opportunity to enter into conversation with the one sharing his or her story and with one another. The goal is to enable us to relate our faith to the totality of our life experiences. Each person will be free to share his or her story in whatever way he or she chooses to do so. At the session on May 7th, **Kapono Kobylanski** will share his story. All are welcome. The class will meet in room 206.
