

Insurance Jobs Up For Grabs In Peterborough

The Northern Swedish Insurance company are set to open an office in Peterborough. They will be looking to employ 120 local people, who will perform various functions at the new premises.

The successful applicants will work under the guidance of Rolf Torinson. He is a keen family man who has previously worked in the capacity of Operations Director for Yorkshire Life.

Mr Torinson said, “In the past few years we've had excellent growth as a business. The growth has been greatly helped by our great products”.

Individuals who feel that they have what it takes to sell different types of insurance have been advised to apply early, in order to avoid disappointment.

Potential customers are encouraged to visit their local intermediaries for quotes on the different insurance packages.

Notes For Editors – The Northern Swedish Insurance Company is the eleventh largest company of its kind in Sweden. It has assets of £500 million.

Swedish Insurance Company Will Offer Products To UK Customers

The Northern Swedish Insurance Company are set to establish a place on the competitive UK market over the coming months.

They plan on selling an extensive range of policies through financial intermediaries. Customers can expect to obtain fast quotations based upon standard prices, after filling out the simple forms provided by their chosen brokers.

Rolf Torinson, Chief Executive of the company, said, “ In the past few years we've had excellent growth as a business. The growth has been greatly helped by our great products”.

Specialist cover for vehicle owners and home owners will be among the North Swedish Insurance offerings.

-Ends-

Notes For Editors – There are only 10 insurance companies bigger than the Northern Swedish Insurance in the whole of Sweden. This business has been in existence since 1863 and has assets of £500 million.
