CREDIT TERMS POLICY ACCEPTANCE AGREEMENT

1. *Smaller sales are transacted on a COD basis. Groundworks does not extend credit terms on sales of \$2,500.00 or less. All such sales are made on a COD basis only regardless of the customer's credit account with Groundworks.*
2. We require that credit terms customers fill out a NTO (Notice to Owner) form giving us all of the information necessary to file an NTO on the site where our material is to be delivered. Please be advised that we will not deliver any order until such time as the NTO form has been properly filled out and returned to our offices via fax.
3. It is our firm policy to file NTO's on the 36th day after the invoice date where an invoice remains unpaid at that time regardless of the length of your credit terms with us. We mean you no harm; NTO's are a non-hostile, administrative step that is required by law in order for us to be able to later file a lien if that should become necessary.
4. Initial payment terms are net 30 days from the day you take possession of the inventory or, in the case of multiple truckloads associated to a single invoice, Net 30 days from the day of the first delivery associated to that invoice.
5. **Fluctuating Terms** – When a credit relationship has been formed the customer has the ability to request fluctuating credit terms. The fluctuating terms are offered in the event that the General Contractor / Developer has a slower pay schedule than NET 30. In the event that the customer requires a longer payment term period than that for which there account has been established, such request must be made in writing and in advance of delivery. When choosing to use the fluctuating terms, there will be additional fees and the NTO will be filed on the first day of delivery.
6. We allow a five-day grace period during which a payment received is still considered to be within your terms.
7. Once your credit account is established you will be notified of the initial amount of credit via email and or regular mail. In the event you need to place an order in excess of your credit limit, we will review your account status and payment history and then make a decision as to whether or not we can allow an extension of your credit limit.
8. In the event any invoice is more than 20 days past due we may, at our sole discretion, choose to terminate your account or to place it on a "review" status and require payment in full of all outstanding invoices prior to filling any subsequent orders. We may also then file a Suppliers Lien on any such invoices and institute collection actions. In the event that we file such a lien and in the event the cost of filing exceeds the total of the Administrative Service Charges billed on the invoice, you by your signature below you agree to reimburse us any excess costs to the extent permissible by law.
9. If an invoice becomes more than 20 days past due on three separate occasions during any calendar year, we will consider your account to be delinquent and it will automatically be placed on a "review" status. When an account is placed on review, we are unable to fill orders until such time as the account is paid up to the extent that it is within the authorized payment terms AND senior management has made a decision on the status of the account. Delinquent accounts are subject to termination without further notice.
10. **Groundworks does not offer credit terms on Sales Tax amounts. All terms customers are required to remit Sales Tax within 5 business days of the date of a pick up or delivery for which Sales Tax is payable. It is our policy to close credit accounts where the customer refuses to remit Sales Tax amounts in accordance with this policy.**

Please indicate your acceptance of the terms and conditions set forth above by your dated signature below. Also, please fill in your title and company name where indicated. Please be respectfully advised that our policy requires that we obtain original signatures.
