Collaborate in the
Implementation of
Priority Dispatch

1

Attract, Retain, Motivate
and Develop our
Employees

2

Collaborate in the
Implementation of
Community
Paramedicine

3

Mission

To Improve the Health of our Community
by Providing Professional Emergency
Medical Services and Compassionate
Care

Core Values

Safety - Protecting the health and promoting the well being of
our patients, staff, and the community.

Professionalism - Acting consistently in the most competent,
compassionate, and ethical manner.

Collaboration - Working as a team and partnering with the
community.

Quality - Striving toward the highest degree of excellence in
all that we do.

Service - Contributing to the shared goals of the people and
the community.

Vision

“A Safe and Healthy Community”
