2017 Conference Theme

TIME

“Hold Infinity in the palm of your hand
And Eternity in an hour.”
-- William Blake

The 28th Annual Interdisciplinary Conference of the International Forum for Psychoanalytic Education invites us to bring “**TIME**” into the open...

Troubling, confounding, mystifying, surprising, provoking, and evoking, TIME is a prime component of psychoanalytic history and the pseudo-invisible backdrop for every aspect of our existence.

From the caverns of a timeless unconscious to Freud’s fearful reckonings in the year of his death; from immersion in subjectivity to existential anxiety; through the length and frequency of sessions; and ever interwoven. Either we race against it, or TIME stalks us. We never know how much time we have, and it waits for none of us.

Join us as we consider our encounters with TIME. Meet in our conference space, and engage in the now, situated between past and future. Join us to discuss what we see, what we think and feel, what we cherish and fear, what we love and crave, and how we interpret and make peace with the omnipresence of TIME.

This year’s conference returns to Lago Mar Resort and Club in Fort Lauderdale, Florida, for our 28th annual conference on November 9th, 10th, and 11th, 2017. Fort Lauderdale is famous for its beaches, arts, and culture. Lago Mar Resort and Club has the largest private beach in Fort Lauderdale. Take TIME to relax, refresh and restore.

IFPE fosters a unique, multidisciplinary, alternative space to think, dialogue, and reflect on psychoanalysis, in and out of the consulting room, across disciplines, and extending to art and culture. IFPE strives to create a conference environment where all are welcome to join the conversation.

Continuing Education Credits

IFPE exists outside the organizational traditions of psychoanalysis, with neither authority to “authenticate” training nor favors to bestow; beholden to no parent institution, specific theoretical persuasion or particular professional discipline; and offering the opportunity to meet colleagues and others on safe ground as we consider the human condition (including our own) from all perspectives. **It is therefore an issue of both congruence and integrity that we do not offer Continuing Education Credits.**

Certificates of Attendance

Certificates will be emailed, upon request, to attendees after the conference.
