## **2017 Summer Camp Programs** **Monday - Friday (10 AM - 12:30 PM)**

### **Fun to Learn**

This camp offers students entering Grades 2 through 6 a great opportunity to have fun and sharpen their Math and Language Arts skills. Fun educational games and hands on activities and experiments are also incorporated into this program.

### **Junior High Building Blocks**

This program provides students entering Grade 7, 8 and 9 a chance to strengthen Math, Language Arts and Science skills. Students will also be introduced to concepts they will cover in the upcoming year.

### **Grade 10 Math Boot Camp**

This program is designed to review key building blocks, build a strong foundation and provide a solid overview for students entering Math 10-C.

### **Essay Writing Workshop**

This workshop is ideal for students who have had difficulty composing essays or wish to strengthen their writing skills. Students will work through outlines, thesis statements, and proper sentence, paragraph and essay structure. Students will complete one essay during the week.

This program is for students entering Grade 9 or higher in September.
