Project Y Program Enrollment

When you enroll in one of our Project Y Programs such as the Social Entrepreneurship (SE) course, you will automatically become a member of our Virtual OCCares Club (you do not have to be a part of an OCCares School Club to be a part of this Virtual Club). It is this Club membership that gives you access to the Club member benefits that are sponsored by OCCares. Please check the opportunities you are interested in below:

___ **OCCares Club & Project Y Program Enrollment:** (If checked, you will have the opportunity to join the OCCares Virtual Club or a School Club near you, and participate in the Project Y Youth Social Entrepreneurship (SE) online programs: “**The Social Enterprise Spectrum**” in partnership with Pepperdine University and “**Philanthropy in the Community**” in partnership with UCI. Please check our website for upcoming courses and events.

___ **Project Y Virtual Club or School Club Leadership Position:** The positions are President, Vice-President, Secretary, Treasurer, Marketing Chair, Event Chair & Fundraising Chair. If checked, the current Club president of your school will reach out to you if there are any open positions. The current president will also nominate someone to be the president of the Club the following school year to our OCCares Project Y Chair the year before his/her president term ends. Our Project Y Chair will conduct an interview before final approval. All other leadership positions will be selected by the vote of the club members once the new school year begins.

___ **Shadowing:** (These are unpaid 1 day to 2 weeks “learn by observing” opportunities. If checked, we will notify you with any upcoming opportunities)

___ **Internship:** (These are paid working opportunities that are usually available after a successful Shadowing Opportunity, you will need to go through the usual and customary hiring process directly with the company’s Human Resources (HR) department. These opportunities are rare for high school students but if checked, we will notify you of any upcoming opportunities)

___ **Mentorship:** (These are individualized opportunities for students that would like support and advise on a service learning, charitable or leadership project that they are working on)

Note: OCCares only provides a network of Shadowing and Internship Opportunities but does not oversee the students once the students are accepted or hired by a company. The shadowing/internship/employment should be approved by the parents for student under 18 yoa)
