Where Learning Adventures Begin...

3rd October 2017

Dear Parents / Carers

Seesaw Home-School Contract 2017-2018

We hope you are enjoying using Seesaw to share your children's learning. We have enjoyed seeing the messages celebrating their achievements so far. We have also found it really useful for reflecting with your children about their day. These conversations really serve to cement their learning and give us a meaningful opportunity to talk with them about their next steps.

Seesaw is private and you'll only see posts created by your child or the adults working with them.

By signing up to Seesaw, you are agreeing, that in order to safeguard the children and respect their rights and those of their families, you will:

- Only download copy or share images of your own child/children and not those that feature other children or staff members.
- Only post comments that are constructive and positive.
- Inform us immediately if you have any concern that an account is being used inappropriately.

Any accounts that contravene these expectations will unfortunately need to be removed. We are only authorising accounts for parents rather than extended family for the same safeguarding reasons.

Thank you for supporting you child's learning and for helping us to keep all of our children safe.
