Hazel Class – Term 2 School Swimming

Swimming is an important part of the school curriculum and so our aim is to make appropriate arrangements for pupils to be able to swim and achieve the statutory 25 metres before they leave us. In order to achieve this, during this academic year 2017-18, Hazel Class will be swimming again for 6 weeks starting Friday 10th November – Friday 15st December 2017.

Payment is now due for Term 2. As previously we are asking for a voluntary contribution, this time of £22.00 for the term. If you're unable to pay £22, any contributions towards this cost would be welcome.

This amended price (from £38.50) takes in to account a deduction from the following dates that were included in Term 1's swimming payment amount, and one date in Term 2 as follows:

Term 1

- 15th September – Lesson cancelled due to no show of coach
- 29th September – Teacher Training Day

Term 2

- 3rd November – Teacher Training Day

Total deducted from Term 2's payment = £16.50
