Where Learning Adventures Begin...

Dear Parents/Carers

Online payments to school

Parents are able to pay for trips, swimming, school-run clubs, and lunches directly into our school bank account by online bank transfer, rather than having to send in cash or a cheque (these options are still available).

If you have online banking facilities and would like to use this method, please use one transaction for each separate item, i.e. one transaction for trips, one for lunches etc, rather than combining them.

The school account details are as follows:

Bank: Lloyds
Sort Code: 30-91-99
Account code: 42755968

Please enter the pupil's name and trip title or 'Lunches' in the reference box, which is usually 18 characters long so details will need to be abbreviated. We must be able to recognise who and what the payment is for, or we will not be able to process the payment.

Please remember that for trips, swimming, clubs etc, we will still need consent slips to be signed and returned, but you can write a note on the slip to say that the payment has been made online.

This facility is not for payment to outside agencies e.g. Up and Under, PH Sports etc.who are paid directly by parents.

We hope this will make paying the school more convenient for those parents who wish to take advantage of this method.

Yours sincerely

Pam Evans
