Where Learning Adventures Begin...

NESTON PRIMARY SCHOOL NEWSLETTER

**23rd
February
2018**

**Issue
No 17**

Dear Parents,

It was lovely to welcome the children back after the half term break. I think the early morning was a little shock to some systems as there were a few bleary eyes in assembly on Monday morning – mine included!

This week, some of the Senior Leadership Team received further training on the Maths – No Problem programme. We particularly looked at challenging the higher achieving learners through expanding on explanations, showing methods in writing and pictorially and also how the children need to challenge themselves. We also explored journaling in maths which will promote all of these skills. This information will be disseminated to staff next week and we look forward to seeing the impact in classrooms.

The weather is looking a little inclement next week. Could I please remind you to provide your children with suitable clothing for outside play.

Finally, thank you for the many emails and comments we have received concerning our Ofsted report. We have been a little overwhelmed by your comments and are already cracking on with our next steps.

With warmest wishes

Pam Evans

Our attendance records last week are:-

MONITORING ATTENDANCE

Class	Week beginning 05/02/18
