

**12th CL Davis & SW Thompson DVM Foundation  
Marine Species Histopathology Workshop  
Long Beach, California**

**Date:** Saturday, May 19<sup>th</sup>, 2018 9am-4pm

**Location:** Renaissance Long Beach in Long Beach, California

**Program Director:**

Judy St. Leger, DVM, DACVP

**Workshop Overview:**

The 12<sup>th</sup> CL Davis & SW Thompson DVM Foundation Marine Species Histopathology Workshop will be held in conjunction with the 49<sup>th</sup> annual IAAAM conference

This workshop will include a keynote lecture – presenter TBD

All participants receive DVDs of the scanned histology slides and the case write up materials. Workshop registration includes materials, continental breakfast and snacks. All IAAAM members are invited to attend. Registration is limited to 50 participants and cost per person is only \$100.

**Registration: TBD**

**Call for case submissions:**

We are soliciting case submissions for this workshop. We are looking for 15 great cases for discussion and some show-and-tell. Species can be mammals, birds, reptiles, fish, and invertebrates. (Heck, we'd even like to see aquatic freshwater animals!). These can be classic, topical, conundrum or just plain cool cases. Presentations include history, gross, histo and a discussion of the topic presented. Case submissions include 1 or 2 high quality glass slides and the case write up (case history and case summary - the case histories need to be SEPARATE from the case summaries) NO LATER THAN March 1, 2018 to:

Dr. Judy St. Leger  
SeaWorld  
500 SeaWorld Dr.  
San Diego, CA 92109

Electronic copies of histories and summaries can be e-mailed to [judy.st.leger@seaworld.com](mailto:judy.st.leger@seaworld.com) and [alexandria.mena@seaworld.com](mailto:alexandria.mena@seaworld.com)

Please send us note if you need further information or assistance. We can easily provide submission templates and presentation templates.
