WAVMA Special Session - Call for Abstracts
“Advances in Clinical Aquatic Veterinary Practice: Servicing Industries & Clients”

With the increasing global demand for veterinary services by aquaculture industries and aquatic animal owners, we invite you to submit an abstract for an oral presentation that cover important practices, techniques and approaches used in clinical cases and important for clinical medicine and veterinary practice.

Presentations by veterinarians, students, veterinary technicians/nurses or other para-veterinarians are welcome – particularly those that cover routine or new diagnostics, treatments, surgical or other approaches necessary for preventing, controlling and eliminating common or new/emerging diseases.

As this Tuesday, September 4, 2018 Special Session (9:30-12:00 am & 1:00-5:00 pm) is intended for AAVSB/RACE approval, priority will be given to speakers willing to give 30-minute presentations; however, if abstracts for two or more 15-minute presentations dealing with similar subjects are received, they will be included in this session.

Deadline for Abstract Submission is May 31, 2018
When submitting your abstract be sure to indicate this is for the “WAVMA Special Session”

Submit Abstract

Speakers submitting abstracts for this Special Session will be notified in early June
