and reduced cost
toner for your
IBM® Infoprint® 4100.**

**...and did we mention
our 100% guarantee?**

Hunt Imaging, the new leader in the development and manufacturing of high-speed printing toner introduces the only OEM compatible polyester based toner for the IBM Infoprint 4100, designed to maximize high speed productivity, minimize maintenance, and reduce cost per page.

Hunt Imaging is an ISO 9001:2000 certified manufacturer with plants in the United States and Europe. Our products are distributed worldwide by OEM's and as Hunt Imaging and privately labeled products.

Buying directly from the manufacturer saves you money. Our large inventories and distribution channels save you time. All our toner supplies perform in a manner which equals or exceeds the OEM's product performance.
