

Notice

Water Main Flushing

Cultus Lake & Parkview Water System Users

As part of the maintenance schedule, the Fraser Valley Regional District will be flushing the Cultus Lake Water System on:

Wednesday August 9, 2017

From 12 midnight to 6:00am

Customers may experience discoloured water or sediment when turning on the tap the next morning. Please run the water until it clears. If the problem persists or you have any questions please contact, **Dave Roblin, Manager of Operations, at:**

604 702-5027.

Thank You!
