

We want to thank everyone who attended the community meeting on Wednesday, August 23, 2017. It was a great opportunity for the Board and the Cultus Lake community to engage in meaningful dialogue about the issues of the congested buoys on our foreshore. Your feedback and input gathered at the meeting and submitted via e-mail will help inform us as we go forward to identify potential solutions for this challenge.

We are currently compiling what we heard from you and a report on the feedback from the community meeting will be provided at the September 13, 2017 board meeting, where the Board will consider the matter.

In the meantime, if you have questions or would like to provide additional feedback, please e-mail us at: reception@cultuslake.bc.ca.
