# Wood Burning Workshop

## BURN IT SMART!

Do you have a fireplace or wood burning stove at home?

If you do, this workshop is for you! Save money, reduce smoke, and learn techniques on improving the efficiency of your wood heating system.

**Wednesday, November 15<sup>th</sup>, 2017. 6:30pm-9:00pm**  
**Cultus Lake Fire Department —**

4165 Columbia Valley Rd, Fraser Valley, SUBD. B, BC V2R 5B7

**Enter into a draw to win an extra \$250 on your wood stove exchange!**

This workshop will provide you with information on:

- Planning, installing & maintaining a wood heating system
- Smart burning techniques to maximize efficiency & minimize emissions
- Firewood preparation and storage
- How you can get up to \$250 to exchange your wood burning stove for a more efficient model.

Bring a piece of wood from your woodpile and we will test it for moisture content.

Please register by emailing Micha Gutmanis at [mgutmanis@fvrd.ca](mailto:mgutmanis@fvrd.ca) or call (604) 702-5496.
