

Lease Payment Options

There is a range of options available, making it convenient for you to submit your lease payment to Cultus Lake Park. You can make the payment:

- In person at the Park Office via cash, cheque, Interac or through telephone or online banking.
- By mailing a cheque to the Park Office (4165 Columbia Valley Highway, Cultus Lake, BC, V2R 5B5).

Please note that (as of July 1, 2016) credit card payments were no longer accepted for lease payments (online banking payments replaced this option).

Online Banking Information

Paying through online banking is easy and straightforward.

- Go online to your financial institution's online banking site and add **Cultus Lake Park Board** as a payee.
- You will need your Roll Number (found at the top of your bill) as this number is used to determine your Account Number.
- Your **Account Number** is the last 7 digits of your Roll Number.

For Example:

If your **Roll Number** is **733 0XXXX.###**

Your **Account Number** is **XXXX###**

Buoy and Moorage Information

Buoys must be registered and paid annually. If you registered a buoy in 2017, you will shortly be receiving an information letter with any new changes and a copy of the 2018 Cultus Lake Moorage Registration form. This is to be completed and returned by March 15, 2018, along with the payment. The \$150 fee is a permit for buoy placement and moorage in the Cultus Lake Park foreshore. This fee contributes to the maintenance of the foreshore, beaches, docks, etc. Cultus Lake Park does not accept the responsibility and liability of regulating unpermitted boats attached to registered buoys, and as a result, the \$150 fee does not cover this. Cultus Lake Park continues to monitor the foreshore for Boating and Foreshore Bylaw compliance.

Update on Walkway Brick Order

Have a Brick engraved in your name or as a gift for a loved one and have it placed in the Main Beach pathway. Bricks can still be purchased at a cost of \$20.00. Application forms can be picked up at the Park Office or are available on our website.
