

GEORGE ORNESS

PRESIDENT / SENIOR FOODSERVICE DESIGN CONSULTANT

gorness@ornessdesigngroup.com

As a principle in charge, Mr. George Orness is responsible to work directly with the client, their representatives, and the design team throughout all phases of the design. For the past four decades, Mr. Orness has delivered 1,200 + projects with particular emphasis in fine dining, resorts, colleges, universities, business and industry. Mr. Orness has comprehensive experience in the areas of design, estimating, construction administration and project management. He is very well versed in health code, DSA, and other regulatory requirements. He also places special emphasis on incorporating energy efficient equipment and sustainable features in his designs of refrigeration and exhaust systems.
