GOALS

I'll tell you all about them in person.

ARCHITECT | PROJECT MANAGER

NEW YORK, NY

ROCKWELL GROUP

Coordinate efforts of the project team including consultants to ensure the project design facilitates the clients desires. as a team we worked on projects as large and well known as hudson yards project, where I acted as project manager and project architect to 200,000 sf luxury multi-family residences.

PROJECT ARCHITECT | PROJECT MANAGER

NEW YORK, NY

PARIS FORINO DESIGN

Spearheaded eight residential projects in new york city and stockholm sweden. as both designer and project manager i coordinate the efforts of the various consultants to ensure the clients goals and schedules are upheld.

PROJECT ARCHITECT | PROJECT MANAGER

NEW YORK, NY

CETRA | RUDDY

Progressed from intern level to project architect working on ground up residential buildings, renovations, landmark restorations, and hotels in four countries . supervised teams to come up with innovative solutions to meeting the clients wishes. projects were anywhere from 20,000 ft to 400,000 sf.

JUNIOR ARCHITECT

NEW YORK, NY

LB ARCHITECTS

Worked as Junior Architect alongside a project manager on commercial interior renovations for office spaces. Programming and Test Fits were an important part of the design process for the projects I worked on here.

DESIGNER INTERN

NEW YORK, NY

NEMA WORKSHOP

Responsible for the preparation of presentation materials, renderings, photographs, drawings and setup of the aforementioned. I was invited to work here in two bouts while I completed my studies at the Savannah College of Art & Design.
