

END OF SEASON WRAP UP 2017

Dear Members,

I would like to take this opportunity to update you on the latest RSSC happenings and information:

The elections results are in! Congratulations to the newest board member—**Allen Clark!** Allen will serve on the Swim Team Committee.

Gerri Mitchell (as Communications) **and I** (as Board President) were also re-elected to serve on the board of directors for the next 3 years.

Thank you to all the candidates for running and also to the membership for casting your ballots! I would like to thank Deanna Pron for her years of service as a board member. This past election members had the opportunity to vote on having the board look into extending the pool hours. Based on the results of the vote, the board will not explore this option for the 2018 season. Hours will remain the same.

This year we have purchased a pool cover. Take a moment and check out the pictures below or on the website. Two years ago we had the pool resurfaced for around \$70,000. The addition of a pool cover will extend the life of the pool's plaster and avoid having costly repairs or resurfacing for the next 20 to 30 years.

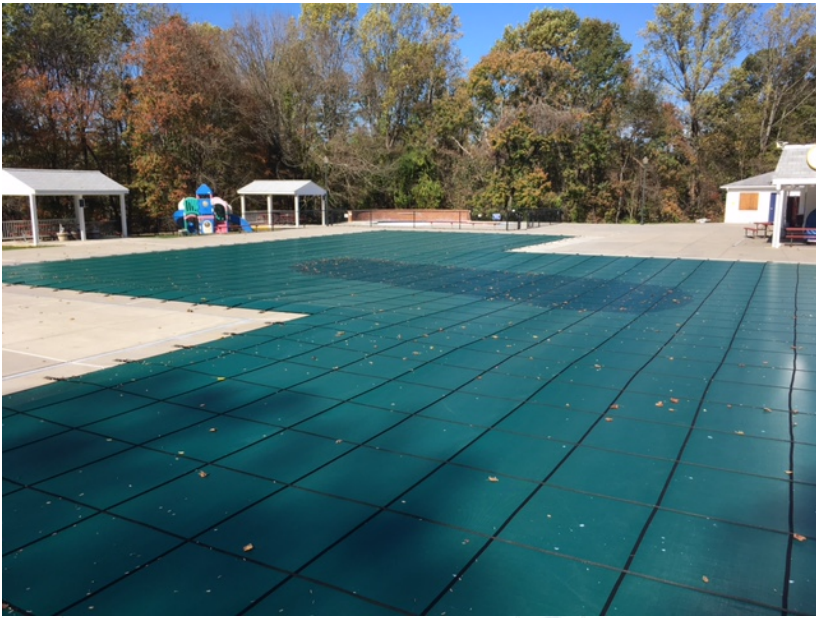

The **Membership raffle and Laps for Love** were again a huge success this summer! With your help, we were able to raise \$1,300. This money will be put towards the remaining balance owed on the chair lift. **CONGRATULATIONS TO THE WINNING MEMBER—Victor Dondero!** The Dondero family won a **family membership** for Summer 2018!

The Rock Spring Swim Club continues making an impact on the local community by again partnering with the **Bel Air Lion's Club for the aluminum can recycling program**. The Lion's Club collected 300 pounds of aluminum cans from RSSC this summer! The Lion's Club uses the proceeds from the aluminum recycling program to fund scholarships for local high school students.

Remember to update your email address to stay informed in the offseason! Please contact Gerri Mitchell rssccommunications@gmail.com with your new contact information. In addition, if you are planning on not returning to RSSC next summer please email Pam Geraghty at rsscmembership@gmail.com.

Finally, I want to extend a sincere *'thank you'* to the pool members that make RSSC such a special summer place! We have some long-time members that are a staple at the pool each season...and 61 new families that just joined this summer! Each family, past and present, is an important part of the Rock Spring Swim Club community. It is my honor to serve as your president for the 2018 swim season. We have a lot to accomplish, however, we look forward to an amazing 2018 season!

Sincerely,
DJ Floyd
President
RSSC Board of Directors
