**NOTICE
OF
CHANGED EXECUTIVE DIRECTOR RECOMMENDATIONS**

Date: November 7, 2014

To: All Interested Parties

From: Nancy Cave, North Central Coast District Manager *NC*
Renée T. Ananda, Coastal Program Analyst

Subject: Coastal Development Permit (CDP) Waiver 2-14-1592-W
Applicant: Larry Fortado, Three Captains

Coastal Development Permit (CDP) Waiver 2-14-1170-W
Applicant: Peter Grenell and Scott Grindy, San Mateo County Harbor District

Based on new information received, the Executive Director has withdrawn his recommendation to the Coastal Commission that waivers be issued for two Coastal Development Permit (CDP) Applications, Nos.: (1) 2-14-1592 for after-the-fact installation of a hoist; and (2) 2-14-1170 for after-the-fact installation of three underground electrical service disconnects, both at Pillar Point Harbor in the Princeton-by-the-Sea area of unincorporated San Mateo County. Commission staff will continue to work with these applicants and on their CDP applications moving forward, and these matters will be addressed at a future Coastal Commission meeting, not the Coastal Commission meeting scheduled in Princeton-by-the-Sea November 12-14.

Thus, the two subject items are removed as recommended waivers from the Deputy Director's report for Thursday, November 13, 2014 under agenda item No. 15 and are considered pending CDP applications for future Commission action.

If you have any questions about the status of these items, please contact Renée Ananda at 415-904-5260 in the North Central Coast District office.
