Hi Debbie:

He e-mailed and UPS overnighted a March 3 letter. It is 9 pages plus attachments.

I can scan my copy but it doesn't have attachments. Let me know if you need it.

Hi Martha,

No bother at all. I have to get a copy of the letter that Mr. Scheer handed to Commissioner Brennan last night and then took back. I'm not aware of any additional items. Please elaborate.

Thank you,

Debbie Nixon

Hi Debbie:

I hate to bother you, but can you have the letter and attachments from Mark Scheer, attorney for Three Captains, posted on the District's website with the other agenda items.

A newer provision of the Brown Act states that late submitted documents for an agenda should be made available to the public at the same time they are provided to the Commission.

Thanks,

Martha
