Anne brought in a video of pencil techniques which was very informative for many of us. We had a “hands on” session and tried some of these methods. Great fun!! The source material, being autumn leaves and berries, was supplied by Anne and Vivien.

VACANT POSITIONS

The committee have decided that any member taking on a role on the committee or as exhibition co-ordinator will have free membership for the year they are in office in recognition of the work they do.

The position of **Secretary** is still **VACANT**. The duties are not difficult and would involve mainly taking minutes of committee and general meetings and functions. The position of **Treasurer** will be vacant from 30th June 2008. The position of **Vice President** will be vacant in the very near future. We still need an **exhibition co-ordinator** for the annual members exhibition . As we are now incorporated, we **NEED** to fill these positions ASAP. The committee needs help to run the society, please offer your services however small. As they say, "many hands make light work"
