### Report on November Meeting

Thank you to Liliana Allodi for her presentation  
on teaching art Brazilian-style. Liliana talked  
about how she has developed her own style of  
botanical art by synthesizing the styles she has  
learnt from four different teachers over the years.  
She gave a very informative and entertaining talk,  
and members at the meeting appreciated the time  
she gave us. Some suggested she might run a one-  
day workshop next year!
