

Sexpression:UK Trustee Advert

Position: Trustee

Sexpression:UK is a student-led independent charity that informs and empowers young people to make decisions about sex and relationships by running informal and comprehensive Relationship and Sex Education (RSE) in the community. Through local branches of student volunteers, we deliver near-peer led RSE workshops to thousands of young people across the UK every year.

We are a young and ambitious charity embarking on an exciting period of development and growth and are seeking new Trustees to join us. We are looking for people who offer both practical expertise and a passion for ensuring all young people are able to make informed decisions about relationships and sex. We would particularly welcome applications from people who have experience working in the education sector or who have experience of charity governance or fundraising.

We ask our Trustees to commit time for four Board meetings per year, for a term of 2 years, along with the opportunity to offer advice and guidance to help develop and deliver the strategic aims of the charity.

In return for your time, you will work with a group of passionate and committed young people to shape and grow our agenda at an important time of change for the organisation, and for the landscape of RSE in the UK, helping to support the educational needs of thousands more young people every year.

To apply, please send a statement of interest (no more than 1,000 words) outlining what you can offer Sexpression:UK and what you hope to gain from the experience of working with us, along with your CV to Gillian Daines at gilldaines@gmail.com by 31st July 2018.
