

My name is Tommy Ortiz. I was born in San Antonio, Texas where I received my education within the San Antonio School District graduating from Lanier High School. After graduation I joined the United States Army and was Honorably Discharged from the 6th Special Forces Group. After my time in the Army I worked for Handy Andy Inc. for twelve years. I then did commercial and residential contract work for three years. In 1978 I went to work for City Public Service (CPS) in San Antonio. At CPS I continued my education and received my certification as an Energy Surveyor from Texas A&M. At CPS I then transferred to the Consumer Services Department, became a supervisor in the Customer Services Department and ended my career at CPS with the Claims Department as a certified Claims Representative.

Since my retirement from CPS in 2004 I have served and am currently a City of Natalia Alderman. I have also dedicated the last ten years as a volunteer for the Natalia Little League District 21 and served as President of the league during that time. I am also a proud member of the Medina County Historical Commission.

My goals are to continue to have growth in Natalia both commercial and residential and have a very dedicated City Staff and Police Department to continue to improve our City in any way possible to benefit all of our citizens.
