

Take Pride in our Community!

Help Us To Make The City of Natalia Haywood Park a Reality!

WHO

The Haywood Park Committee is working in partnership with the City of Natalia to construct a Park and Playground. Haywood Park is an in town neighborhood park situated on Bennett and 7th Street. The property was donated by the Haywood Family in 2008. Haywood Park will give the Natalia community children a place to play in a safe environment. The Park will also attract joggers, walkers, families and children from neighborhoods across Medina County. The Park will have three pavilions, restrooms, a volleyball court, a basketball court, a horseshoe pit, a walking trail and a playground area. The Park Committee, the City of Natalia and the neighborhood residents are committed to the beautification and maintenance of Haywood Park, and have raised nearly \$43,000 of the funds necessary to begin construction of the pavilions and restrooms. We lack funding for the purchase of playground equipment, park benches, tables and various other items. We are counting on donations from outside sources to complete the funding of our project.

WHAT

Our goal is to raise \$75,000 by November 1, 2015 to be used to purchase new playground equipment, picnic tables, signs and benches for the park.

WHY

Why are we raising private funds for a public playground? The reality is that the City of Natalia works within a limited budget, and they do not have the resources necessary to construct a Park. By raising private funds, we demonstrate our commitment to our community, our neighborhood and our kids in a very tangible way.
