Hebrews 10:24-25

*What household chores did you do as a child?
How did your parents/guardians motivate you to do your chores?
As an adult, how is the chore duty divided in your home?*

1. “I” have to become “we”

What memories do you have of being on a team (sports, community organization, work)?

What were you able to do through a team that you couldn't have done alone?

Statistics say that church attendance is on a fast decline. Why do you think that is?

How important is church to you?

2. It really is about love and good work.

Read carefully the following verses:

1 Corinthians 13:1-3

1 Corinthians 13:3

Ephesians 4:16

How would you describe the importance of love found in these verses?

How much has love been emphasized in your church experience?

If not much, why do you think that is?

Read carefully the following verses:

Matthew 5:16

Ephesians 2:10

John 15:5

James 2:14-24

What is the role of good works as described by these verses?

3. We all need a boost.

The writer of the letter to the Hebrews uses the word “spur.”

What picture comes to your mind with that word?

What does it take to “spur” you on to love and good works?

*As a family member of The Venues, you have some chores to do to keep the home running smooth. What are they?
How much "spurring" do you need?*
