POGO

nono

www.nono.mx — nono@nono.mx

The perfect amount
of something.

POGO is the best example of humor and elegance. Made of fiberglass, its charming shape conveys a cheerful and youthful feel, while portraying character and style. Available in three different presentations, without table top, with small table top and large table top, in addition to different colors. An attractive object that provides a nice accent to dull spaces.
