

ORKESTAR KRIMINAL

"An orchestra, with a gangster twist" - CBC

« Absolument irrésistible » - Le Devoir

« Un joyeux bordel » - Voir

Orkestar Kriminal is comprised of improv performers who interpret inspired renditions of slum-based "world music". They sing gutsy and adventurous criminal songs that originate from a dangerous and forgotten era. The band formed in 2012, three days before the POP Montreal Music Festival, so that Giselle's former orchestra could scam free passes to the festival.
