

Lights of Love

Memory Tree Dedication

Main Street Washington is sponsoring Lights of Love- Memory Tree dedication in Central Park for the coming Holiday Season. Purchase a fresh-cut lighted tree for \$100 which you can dedicate as a Memorial or to honor someone of your choosing. To reserve your tree for Central Park this holiday season, please contact Sarah Grunewaldt at Main Street Washington (319-653-3918). Your investment in a Lights of Love- Memory Tree will not only honor your loved one, but will help support Main Street Washington's continued revitalization efforts in Historic Downtown.

Trees will be trimmed with white lights and a large red bow, and will be identified with the name of the honoree and donor. Each honoree will be announced as the memorial trees and Downtown Washington are illuminated on the night of November 25th during our Holiday SNOW Lighting Ceremony and Lighted Holiday Parade starting at 7:00 pm. Trees will remain lit throughout the Holiday Season.

The names of the donors and honorees will also appear on our website and in print advertising to thank the donors for the belief in our downtown.

FORMS MUST BE RETURNED TO THE MAIN STREET WASHINGTON OFFICE
