

# TURF, TRUST, & TIME

## WORKSHEET

**Collaboration is a process** that makes it possible to reach a goal that cannot be achieved by one person or agency alone. This implies a need for negotiation and agreement about the goal and strategies.<sup>1</sup>

- **Turf** is control over your own resources, ideas, and plans.
- **Trust** in one another and the shared process that is foundational for giving up any Turf.
- **Time** it takes to develop process, build Trust, and share Turf.
