

ADULT ADVISORS CODE OF CONDUCT

WCTSMA programs offer college and career preparation to those students who have a career interest in the fields of sports medicine, health sciences, and medicine. Individual conduct and appearance is a phase of this training.

The rules as stated in the Delegate Conduct Practices and Procedures are called to your attention for review and should govern the behavior of instructors as well as students.

Since a good example is one method of teaching, and students participating in the conference are impressionable, a Code of Conducts is set for adult instructors. It becomes the responsibility of each and every participant to see that proper conduct is adhered to at all times.

- Instructors shall conduct daily meetings with participants for progress reports, time schedules, and other activities.
- Each school shall arrange to have one instructor on call at all times.
- Each instructor shall be responsible for seeing that participants adhere to all conduct practices and procedures.
- Each instructor is responsible for having the following forms on hand at all times:
 - Medical release form for each individual (participant, advisor, or chaperone) attending the WCTSMA event (school forms acceptable).
 - Signed participant code of conduct for each student in attendance.

Conference: _____

School: _____

Number of Code of Conduct forms on hand _____

I certify that a code of conduct form that includes an explanation of the conference expectations has been completed for each student attending this conference.

School Instructor Signature
