

### Team Scoring- Varsity

Scoring for the team portion of the competition is determined by taking the highest score for each test in the varsity category (or highest 5 for the Oral Practical group) and adding them together. For example, if the following students comprised a varsity team:

	Oral Practical			Anat/Phys			Med Term			Exercise Phys			CPR						
	Written Test 1	Written Test 2	OP x2		WT1	WT2	A+P Test		WT1	WT2	MT Test		WT1	WT2	EP Test		WT1	WT2	CPR Test
Billy	67	56	86	Jaleesa	86	80	90	William	50	60	86	Allen	67	36	80	Joe	65	41	50
Susan	54	78	82	De'Laend	60	62	75	-----				Steven	55	41	80	Anna	55	56	36
Hamdia	56	76	76																
Jaden	34	72	70																
Dahrhan	68	67	68																
Luis	71	80	90																

The highest score for each test in each category would be kept. For the Oral Practical group, the highest 5 scores are kept. In this situation, there is only one student signed up for the Medical Terminology Category, so all of his scores count. In the exercise physiology category, both students got an 80 on the EP test, so one of the scores was dropped. The scores from each category are then added together to create a final "Team" Score.

	Oral Practical			Anat/Phys			Med Term			Exercise Phys			CPR						
	Written Test 1	Written Test 2	OP x2		WT1	WT2	A+P Test		WT1	WT2	MT Test		WT1	WT2	EP Test		WT1	WT2	CPR Test
Billy	67	<del>56</del>	86	Jaleesa	86	80	90	William	50	60	86	Allen	67	<del>36</del>	80	Joe	65	<del>41</del>	50
Susan	54	78	82	De'Laend	<del>60</del>	<del>62</del>	<del>75</del>	-----				Steven	<del>55</del>	41	<del>80</del>	Anna	<del>55</del>	56	<del>36</del>
Hamdia	56	76	76																
Jaden	<del>34</del>	72	70																
Dahrhan	68	67	<del>68</del>																
Luis	71	80	90																
	316	373	404		86	80	90		50	60	86		67	41	80		65	56	50
