### The Direct Payment Plan will help you in several ways:

- Your payment is always on time—it helps maintain good credit.
- It saves postage – many people spend close to \$100 a year on postage.
- It's easy to sign up for, easy to cancel.
- No late charges.

### Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments to be made from your checking or savings account. Then, just sit back and relax. Your payments will be made automatically on

the specified day. And proof of payment will appear on your statement.

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. If the amount of your payment changes, we will notify you at least 10 days before payment date. The Direct Payment Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the attached authorization form and return it to us.

All you need to do is:

- 1) Mark the box before type of account to indicate whether your payment will be deducted from your checking or savings account.
- 2) Fill in your name, financial institution name and location, and date.
- 3) Attach a voided check for verification of all financial institution information. If you are unable to attach the voided check, please fill in your account number and routing number.
