

Designation of Directory Information and Publications

The purpose of this form is to allow parents/guardians to determine what, if any, information regarding their child they would like released publicly.

Each year we publish a student directory to hand out to the school families. According to state and federal law, this directory information as identified below may be publicly released without permission of parents. If you wish not to release any or all of this information please check the appropriate boxes below.

During the school year we may publish your student's name or photo by various means, which could include the Weekly Memo, the web site, advertisements or our signboard, etc. If you wish not to release any or all of this information please check the appropriate boxes below.

If the school does not receive this form from you, we will assume that your permission is given to use your student's information as described below.
