

Redeemer Lutheran School Volunteer Application

Parents,

We are in need of your help to accomplish all that needs to be done throughout the school year. By signing up, you are not committing yourself to that activity for the entire year. Rather you are telling us that you are able to help in some way with that activity. You will be contacted to work out the details of how you can serve.

We are asking everyone to fill out this form and asking you which projects you may be willing to help with. We would like your **email addresses** and **work information** listed on these sheets to assist us in communicating with you. Organizers of projects will have a list of people willing to help. It will make their jobs much easier. Thank you in advance for selecting those projects you would be interested in for the year. Your time and talents are precious gifts from God, and we thank you for sharing those gifts with us.
