

Draw a picture of the different types of floors you have in your house.

This floor is a mud brick floor. Draw a picture of something helpful good about having dirt for floors. Then, draw a picture of a problem you might encounter with dirt floors.

Draw a picture of something you can do on a plaster floor that you cannot do (or would be hard to do) with a dirt floor.

Draw what you think the snail shells were used for in ancient Ashkelon.
