League Membership, Dues and Eligibility:

The membership of the league shall consist of the swim teams accepted for inclusion by the Okanogan County Summer Swim League and are in good standing with the OCSSL.

The league president shall pay the AAU club fees and sanction fees by May 1st to avoid late penalty charges. Each team will reimburse the league president promptly after being notified of the amount due for the year. Currently there are four teams in the league and each will pay ¼ of the total bill.

Each team will be responsible for insuring that all swimmers and coaches purchase an AAU card. Every swimmer and their parent/guardian will read and sign a concussion information form which each team will collect and keep on file. All coaches will watch AAU's concussion video and read and sign a form that will also be kept on file with each team. Club compliance forms will be filled out, signed and returned to league president before the first swim meet of the season.

Any swimmer who has competed with any organized swim entity since the end of the previous season will be considered an "advantaged swimmer". Advantaged swimmers are eligible to compete and earn team points, but will not be eligible for high-point awards. Each league team is responsible for letting other league teams know who these advanced swimmers are before each meet begins.
