

THE PERFECT CHRISTMAS

Myth Buster
Luke 1:1-4, 2:1-20

PERFECT CHRISTMAS

The Christmas story seems too good to be true, but it is true and it is that good.

- The Christmas story really is perfect in every way.

HOPE FOR THIS CHRISTMAS

You discover or rediscover the truth of Jesus.

CONSIDERING THE STORY

1. The actual details appear anything but divinely perfect.
2. The story has morphed into a good moral folklore.
3. The event often becomes nothing more than familiar tradition for this season.
4. The whole concept is just silly and farce.

BETTER THAN PERFECT

It's real, and it needs to be real to you.

- It is history about His Story.

HIS STORY

1. The information is not filler, it's fact.
2. The facts demand a personal investigation.
3. The conclusion of your investigation shapes the reality of your entire life, not just your thoughts on Christmas.

GETTING PERSONAL
