

STAND UP

All By Myself

Daniel 6:1-12, 19-28

THE MASS

Resisting the momentum of the mass is tough.

- Being in is good, and being out is bad.
- Fitting in fills the deep need of acceptance.

TO STAND UP

Be alright being the only one.

BEING THE ONLY ONE

1. When the cost is low, get good at doing right.
2. Your doing right will make them feel all wrong.
3. You cannot be alone if you are a Christian.

REMEMBER

Jesus knows what it is like to be the only one.

THE GOSPEL

In Christ, you are forever fully accepted.

STAND UP

God matters most, so I will bravely and independently choose Him in the defining moments.

Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.
