

# THE DEALER

## Get Wise, Not Smart

Proverbs 3:1-18

---

### PLAYING THE ODDS

God has laid out how to live with the odds in your favor.

- Living with the odds in your favor helps prevent that which is preventable.

### THE ABUNDANT LIFE

Do not roll the dice on God's design and directions.

### ACCEPT THIS

God's ways > Your ways

- Play the odds, do life God's way.

### WISDOM

Wisdom = knowing God's way + doing it

- A fool knows God's way and does not do it.

### WISE LIVING

1. Living by our ways is an indication of immaturity.
2. Correcting is a part of the process.
3. Valuing His ways is key to valuing your life.

### GET WISE

Read the book of Proverbs during this series.

*Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.*
