1 Peter 4:7-11

BEING WISE

Do not roll the dice on God's design and directions.

- Accept: God's ways > Your ways

HELPING YOUR MARRIAGE ODDS

Do the work to love, and love will work for you.

- Love = Work to place your needs above my needs regardless of how I feel in the moment.

THE WORK OF LOVE

1. Begins with the Savior.
2. Demonstrates ongoing mutual submission.
3. Functions with consistent support.
4. Avoids being stupid.

GET WISE

Discuss one thing you could do in your marriage to put the odds in your favor.

Please be considerate of others during the worship service by silencing your cell phones, refraining from texting, and taking disruptive children out of The Main.
